

Dear Community Friend,

The 2026 Navajo Girls Fastpitch season is underway and we need your help. Navajo is a non-profit softball organization that teaches the game of softball to girls from ages five to sixteen. We have both recreational and competitive select teams that give female athletes an opportunity to learn how to play the game of fastpitch softball while giving them a positive environment to form lifelong friendships and build their self-esteem. Navajo Softball is dedicated to the principles of teamwork, sportsmanship, leadership, and citizenship. We have been a second home for many athletes throughout San Diego County and have helped pave the way for countless collegiate athletes for over 40 years.

On behalf of Navajo Girls Fastpitch Softball, we sincerely appreciate your efforts in helping continue a legacy. With the generosity of our sponsors, our league continues to grow providing even more opportunities for our players and families by purchasing new softball equipment, maintaining and improving our fields, as well as providing scholarship opportunities for girls in need.
